About Me

CMS Developer with hands-on experience building and customizing **WordPress** and **Shopify** websites. Skilled in developing, optimizing, and delivering CMS-based solutions with a strong focus on responsive design, performance, and user experience. Experienced in collaborating with teams and clients, consistently delivering high-quality projects on time.

Proficient in frontend technologies including **HTML**, **CSS**, **JavaScript**, **Laravel frontend**, and **React/Next.js** (beginner to intermediate). Utilizes AI-assisted development tools to enhance productivity, write optimized code, and accelerate problem-solving.

Education

Bachelor of Science (B.S.) in Computer Engineering 2020 - 2024
Sir syed university of engineering and technology

Professional Experience

Frontend & CMS Developer | Tafsol Technologies 2024 - 2026

- Developed and customized responsive websites using WordPress, Shopify, and Laravel frontend.
- Created modern UI components using React and Next.js with a focus on user experience.
- Leveraged AI tools like ChatGPT, Claude, GitHub Copilot, Cursor AI, and Grok to speed up development, debugging, and code optimization.

CMS Developer | MA Digiworld (Project-Based) 2025 - Present

- Developed and customized WordPress and Shopify websites as a remote CMS Developer.
- Improved website layout, responsiveness, and overall user experience.

Senior CMS Developer | CiphersLab (Remote / On-site) 2026 - present

- Leading full-time CMS development projects using WordPress and Shopify
